MEMORANDUM

To: Eric Blatt *EB*  
From: Eric J. Lay *EJL*  
Date: April 14, 2011  
Subject: Categorical Exclusion (CATEX) without the submittal of a formal request for the  
Barnet Elementary School Water System

---

Barnet Elementary School's water system project (RF3-251) is eligible for a categorical exclusion per 40 CFR Part 6.204, Procedures for Implementing the National Environmental Policy Act (NEPA) and Assessing the Environmental Effects Abroad of EPA Actions, and the Vermont State Environmental Review Process (SERP). This finding is based on my review of plans and specifications which confirmed the project was confined to the existing building with no environmental or archeological impacts outside the building's interior footprint.
