How many buses does your district replace annually?

What is the total student population within your district?

The following information is required for each primary-use bus proposed for early replacement:

Bus #	Make	Model Year	Current Odometer Reading	Avg. Daily Riders	Scheduled Replacement Date	Early Replacement Date

Applicant Representations and Signature:

The applicant, by signing and submitting this application, makes the following representations with the understanding that the Department of Environmental Conservation will rely on these representations for the purpose of evaluating this application. The applicant understands and acknowledges that should any of these representations be untrue, the Department may rescind any award of assistance and, in the Department's sole discretion, pursue any other appropriate remedy or relief:

1. All information contained in this application, including attachments, is true and complete to the best of the applicant's knowledge and belief;
2. The applicant is authorized to submit this application;
3. The applicant has read and understands the grant background and guidelines and grant terms and conditions and agrees to comply with them;
4. The applicant verifies that the bus replacement activity proposed by this application would not occur until a later date without the financial assistance provided by the grant funds;
5. If a grant is awarded to the applicant, the applicant agrees to comply with all applicable statutory provisions, and with the applicable terms, conditions, procedures and reporting requirements of the DEC grant regulations and of the grant agreement.
