

State Fiscal Year 2012 Clean Water State Revolving Fund - Priority List Update 8/23/11

Greetings,

Funds are now available to fund the construction projects listed below.

Municipality Name	Project Name	Proposed CWSRF Loan 2012
Town of Windsor	Sewer Separation/ Storm Water Removal	\$1,000,000
Village of Essex Junction	Village of Essex Junction Pump Station Upgrades	\$1,225,000
Town of Hartford	Quechee Pump Station Upgrades	\$400,000
Town of Milton	Sewer System Rehab	\$250,000
Town of Milton	Hayden Berry Drive	\$150,000
Town of Richmond	Jericho Road Sewer Replacement	\$153,000
Town of West Rutland	Clarendon Avenue Pump Station Emergency Power	\$28,814
Town of Cabot	WWTP Energy Efficiency Improvements	\$110,000

The projects listed above were previous listed on the planning portion of the State Clean Water Revolving Fund (CWSRF) Priority and Planning list for State fiscal year 2012 and were scheduled for potential funding in 2013 or 2014.

Recently a higher priority project has selected not to use the CWSRF resulting in funds being made available for these projects.

You are receiving this update as a representative of a municipality which applied for funding from the CWSRF loan to fund a project.

All projects receiving construction funding need to have preliminary engineering and final design engineering approved by our office.

For questions on engineering please contact Nopadon Sundarabhaya at 241-4516.

For questions on funding, please contact Winslow Ladue at 241-3404
