PERMIT AND LICENSE INFORMATION

WASTE TRANSPORTATION PERMIT

SUMMARY DESCRIPTION OF PERMIT The Agency of Natural Resources issues waste transportation permits for hauling hazardous, solid, and residual wastes to or from any location in Vermont. The permits have a duration of five years. All permits are required to be renewed annually by June 30th.

CRITERIA FOR JURISDICTION Commercial haulers are required to obtain and maintain a waste transportation permit. A commercial hauler is defined as (a) any person that transports regulated quantities of hazardous waste; and (b) any person that transports solid and residual waste for compensation using a vehicle having a rated capacity of more than one ton.

INFORMATION REQUIRED The information required to apply for a waste transportation permit includes the following:

1. Company Name and Contact Person;
2. Identification of each vehicle to be used to transport waste;
3. Types of waste to be transported;
4. General waste origin and destination;
5. Disclosure statements (10 V.S.A. Section 6605f);
6. Certification of employee training (hazardous only);
7. Insurance and financial responsibility documents (hazardous only);
8. U.S. EPA identification number (hazardous only).

WEB ADDRESS <http://www.anr.state.vt.us/dec/wastediv/solid/transport.htm>

FEES Solid Waste Hauler Permits \$35.00 per truck, tractor, trailer.
 Hazardous Waste Hauler Permits \$100.00 per truck, tractor, trailer.

APPLICATION TIME FRAME The performance standard for processing a complete application is 30 days; However please allow up to 90 days for the required background review.
