This list of licensed designers is current as of the date of the report. It shows the status of each designer's license (active, inactive or expired).

Classes of Designer Licenses are defined in the Wastewater System and Potable Water Supply Rules Subchapter 7

Class A - designer under section 1-703(a)(2)

Class B - designer under Section 1-703(a)(3)

** Class B who is also able to do water system design work for more than just one single family residence on the lot.*

Class 1 - professional engineers are licensed by the Board of Professional Engineers and are only listed here if they are also licensed as a Class A or B designer. See Section 1-703(a)(1)
