

**Wastewater Management Division  
 Vermont Department of Environmental Conservation  
 103 South Main St – The Sewing Building  
 Waterbury VT 05671-0405**

**Underground Injection Control (UIC)  
 Fee Calculation Worksheet  
 Effective July 1, 2004**

If the existing or proposed discharge to an injection well includes non-sewage wastewater, calculate the application review fee for the **non-sewage non-stormwater** portion:

\_\_\_\_\_ gallons of non-sewage wastewater x \$0.06 = \_\_\_\_\_

A minimum fee of \$235.00 will apply to this application if the discharge includes non-sewage wastewater. Enter the appropriate fee in the grid below.

Rates effective 7/1/2001 Act No. 65 2001

At this time there is no application review fee for the **stormwater** portion.

If the discharge includes both stormwater and nonsewage, the fees are added together with the administrative processing fee:

Non-Sewage Application Review Fee	
Stormwater Application Review Fee	\$ 0.00
Administrative Processing Fee	\$ 100.00
Total Fee Enclosed (Non-Sewage plus Admin Proc Fee)	

Annual Operating Fees – Permits issued based on applications received on or after July 1, 1998 are Operating Permits subject to Operating Fees. You will receive a bill approximately 30 days in advance of the operating fee due date.
