Abutting Landowner Information Form

Submit with Application Form WR-UIC-I a list of all abutting landowners with mailing addresses. An abutting landowner is a person or organization which owns or controls land or easements on lands which physically abut the tract or tracts of land on which your project is located.

A list of abutting landowners with mailing addresses is required with submittal of Form WR-UIC-I (Application for a Permit to Discharge Wastes into an Injection Well) for the application to be considered administratively complete.
