

Department of Fish and Wildlife Commissioner's Office
103 South Main Street, 10 South, Waterbury VT 05671-0501

241-3730/Fax 241-3295

The Department of Fish and Wildlife protects the state's fish and wildlife resources by protecting habitat, implementing species management plans, informing and educating the public, and performing basic research.

The Administration Division provides policy, legal, planning, personnel, and financial management leadership for the Department. It oversees the production, distribution, and sales of all license and hunting-related permits. It also is responsible for the management of substantial federal grant dollars, ensuring all reporting requirements are met annually.
