103 South Main Street, 10 South, Waterbury VT 05601-0501

The Outreach Division is responsible for all major outreach and formal educational programs of the Fish and Wildlife Department. Programs are designed to improve the public's knowledge and appreciation of Vermont's fish and wildlife resources and their habitats as well as related laws and issues. Division staff supports the Department's mission by providing professional communications and education to the state's inhabitants. These efforts are a means to achieve voluntary compliance with state laws and regulations and encourage support for fish, wildlife and habitat conservation and protection programs.
