Vermont Climate Action Commission Policy Recommendation Decision Matrix

Rating	Description
0	No fit
1	Low fit
2	Fit
3	Good fit
4	Excellent fit

Charge Criteria									
Policy Option (Short Title)	Subcommittee	Reduce GHG	Renewable Energy	Economic Activity	Grow VT Biz	Affordability	Engage All VTers	VTers Save $	Ease to Implement	Total
Electric Vehicle Purchase Incentive	Transportation									0
EV Dealer Incentive	Transportation									0
Carbon Pricing	Full Commission									0
Tax on fertilizer	Agriculture/Forestry/Waste/Industry									0
PUC development	Power Production, Distribution, and Use									0
Wind Turbines	Power Production, Distribution, and Use									0
ANR Air Quality testing	Research and Development; Non-emissions-based Climate Actions									0
"Stay at Home Economy"	Rural Solutions									0
Early Education	Education, Communication, and Outreach									0
Clean Water from Cabot Farms	Agriculture/Forestry/Waste/Industry									0
State taxes on polluters	Full Commission									0
Ethical Energy Development Plan	Education, Communication, and Outreach									0
Broadband Connection	Education, Communication, and Outreach									0
Weatherization of homes	Commercial and Residential Buildings									0
Reduction in fossil fuel growth	Power Production, Distribution, and Use									0
Carbon Taxed Based on Profits of the company	Full Commission									0
Establish fuel and Electric Coops	Power Production, Distribution, and Use									0
Establish food and agricultural coops	Agriculture/Forestry/Waste/Industry									0
Small scale energy installations	Power Production, Distribution, and Use									0
Education of plug in vehicles	Education, Communication, and Outreach									0
Increase in public transportation	Transportation									0
Solar Utility	Power Production, Distribution, and Use									0
Reduce Population Growth	Research and Development; Non-emissions-based Climate Actions									0
Regional Efforts	Full Commission									0
Enforcement of Idling Laws	Transportation									0
Charging Stations	Transportation									0
Increse Solar PV	Power Production, Distribution, and Use									0
Low Watt Applicances	Power Production, Distribution, and Use									0
Electric Assist Bikes/Trikes	Transportation									0
Coop owned wind turbines	Access to Capital									0
Cabinet Level Office of Climate Change	Full Commission									0
Promote Regenerative Agricultural Practices	Agriculture/Forestry/Waste/Industry									0
Tax on fertilizer	Agriculture/Forestry/Waste/Industry									0
Agroforestry	Agriculture/Forestry/Waste/Industry									0
Reintroduce the American Chestnut Tree	Agriculture/Forestry/Waste/Industry									0
Promote species diversity in Vermont's forests	Agriculture/Forestry/Waste/Industry									0
Prepare to receive domestic climate refugees	Research and Development; Non-emissions-based Climate Actions									0
Prepare for in-state climate refugees	Research and Development; Non-emissions-based Climate Actions									0
Change Vermont's transportation paradigm: Neighborhubs	Transportation									0
Insurance for Car Sharing	Transportation									0
Car Sharing Programs	Transportation									0
"Natur Hus" Style Construction	Commercial and Residential Buildings									0
Promote New Business Development in Climate Adaptation	Research and Development; Non-emissions-based Climate Actions									0
Connect Volunteers with State Leadership	Education, Communication, and Outreach									0

Against Carbon Tax	Full Commission	0
Biomass Fuels	Agriculture/Forestry/Waste/Industry	0
Decentivize Using Cars	Transportation	0
Stuart Licht's Method of Carbon Capture	Research and Development; Non-emissions-based Climate Actions	0
Reduce Speed Limits	Transportation	0
Ban road salt	Research and Development; Non-emissions-based Climate Actions	0
Hydrogen Fuel through Hydrolysis of Water	Transportation	0
Investments	Transportation	0
Street Lights	Transportation	0
